Interrupting the Reports:

Monday, Sept. 3rd and 17th is blacked out on the weekly or monthly attendance report. These are days that the center had a scheduled closing. Notice: NO attendance is recorded for those days.

Notice that for the week of September 11th, 18th and 24th there is an asterisk * on the days of the week. This child was discharged on September 10th. Since Luke Skywalker attended a few days in September – that is all that you see.

If a week has ALL asterisk marks * on every child’s name - that week was not properly saved and approved! Go back to the week – review the attendance – SAVE the week and click on the APPROVE button.
