ChildWare
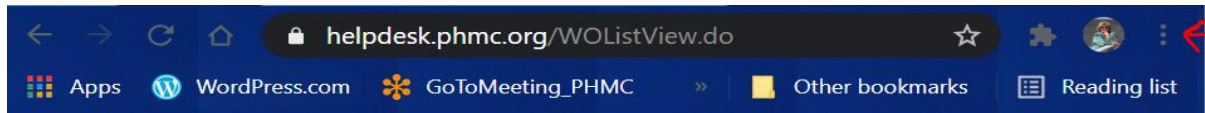

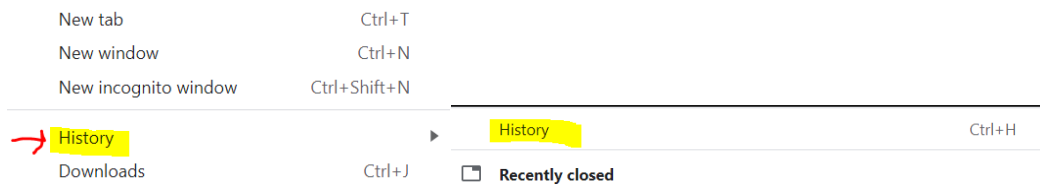

Clearing your history in Chrome

1) Click the 3 vertical dots in the upper right hand corner of the screen

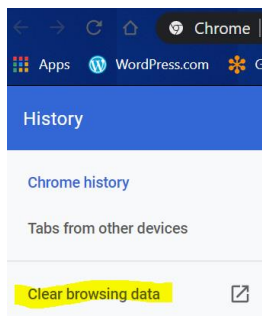

2) Click History, then history from the submenu that pops up

| New tab	Ctrl+T		
New window	Ctrl+N		
New incognito window	Ctrl+Shift+N		
History	▶	History	Ctrl+H
Downloads	Ctrl+J	Recently closed	

An alternative to the above two steps is to press ctrl + H)

3) Click 'Clear browsing data' on the left side of the screen

A new window appears.

4) Make sure time range is "All time"

5) Ensure 'Browsing history', 'Cookies and other site data' and 'Cached images and files' are checked off-Press 'Clear data'
